ABOUT US

Canafora is a manufacturing partner & exporter of eco-friendly tableware made from natural sugarcane bagasse. Our products provide a sustainable and biodegradable alternative to plastic and thermocol food packaging.

We specialize in supplying high-quality bagasse plates, bowls, trays, and clamshell containers designed for restaurants, catering services, cafes, and food delivery businesses. Our tableware is durable, compostable, and safe for food use.

Based in Ahmedabad, Gujarat, India, Canafora works with reliable manufacturing partners to deliver environmentally responsible food packaging solutions to businesses worldwide.

Our goal is to support the global shift toward sustainable packaging by offering products that reduce plastic waste while maintaining high standards of quality and performance.
